

**Covenant**  
**For Attendees at MLUC Outdoor Events/Meetings**

In order to be permitted to participate in each MLUC outdoor event/meeting during Phase 1 and to protect the health and well-being of my fellow participants, the church staff, and others, I covenant and agree:

1. To maintain social distancing and wear a mask, face shield or other appropriate face covering at all appropriate times as follows:
  - a) to the extent possible, maintain a social distance of at least 6 feet from every other person at all times (with an exception for people from my own household);
  - b) refrain from talking to people outside my own household unless at least 6 feet apart;
  - c) wear a mask, face shield or other appropriate face covering over both my nose and mouth when arriving and leaving the event/meeting and whenever close to another person outside my own household; and
  - d) only if seated and distanced at least 6 feet from every other person, remove my face covering (but replace it immediately if I move or am approached by another person).
2. To bring my own chair, blankets, etc. and not share them with other people who are not from my own household.
3. That eating/drinking may be allowed at outdoor events/meetings if deemed appropriate by the event/meeting organizers or church staff members but only if all participants are seated, and at a minimum social distance of six feet (other than people from the same household), and that if eating/drinking is permitted, I must bring my own food/drink and not share them with other people who are not from my own household.
4. that neither I nor any person in my household:
  - (1) has tested positive for the virus in the 14 days prior to this specific event/meeting;
  - (2) currently or in the 14 days prior to this specific event/meeting have had a fever or any other Covid-19 symptoms (with an exception if I or the other symptomatic person subsequently tested negative for the virus after experiencing such symptoms);

(3) to the best of my knowledge, has been exposed to any person who is or was infected with the virus in the 14 days prior to this specific event/meeting; nor

(4) has attended any event or otherwise engaged in any activity in the 14 days prior to this specific event/meeting that might reasonably have placed me or that person at a higher risk of exposure to the virus (including having been in those 14 days in one or more of the states currently identified as high-risk states by the Pennsylvania Department of Health).

5. To evaluate carefully whether I should attend this event/meeting if I feel that I may be immune-compromised or otherwise particularly vulnerable to the virus or have an especially vulnerable person in my household.
6. To use my own or any provided hand sanitizer regularly during the meeting/event, especially on arriving and leaving.
7. To use only the outdoor porta potties (as indoor bathroom use is not permitted).
8. That if I do not have a copy of a signed covenant from a previous event/meeting with me at a subsequent event/meeting, I will sign another copy of this covenant.
9. That if I refuse or repeatedly fail to abide by the terms of this covenant or any other reasonable requests of the event/meeting organizers or the church staff, I may be asked to leave the event/meeting.
