

### How to Access Your Completion Certificate:

1. Log in: Go to the AHA's e-learning website (<https://elearning.heart.org>) and log in to your account.
2. Locate your course: Find the course you completed within your account, often under "My Courses" or similar.
3. Download the certificate: Look for a "Download Completion Certificate" or similar button/link. You may need to complete a survey before accessing the certificate.

### Completion Certificate Example:

The below is what you need to print and bring with you on the day of your skills session. **WE CANNOT PROCESS YOUR CERTIFICATION WITHOUT THIS.**
